

Haringey Speech, Language and Communication **Engagement Event**

Wednesday 12th July 2017, 9.30am – 12.30pm

The Conference Room, The Cypriot Centre, Earlham Grove, Wood Green,
London N22 5HJ

What's happening?

Haringey Clinical Commissioning Group (CCG) and Haringey Council want children and young people in Haringey to have easy access to high quality speech and language and communication support, when they need it.

To make sure this is happening, we are planning to review the current service model and existing provision. This includes supporting communication from birth, at all levels of need. We will be looking at the whole pathway from early intervention to highly specialist support for those with more complex needs.

This event is an important part of our review process which will run until September 2017. It will be your opportunity to ensure that the review considers and addresses the things that matter to you. You will also be able to influence the ways in which you want to participate and contribute to the review as it proceeds.

Who should attend?

Anyone who has an interest in speech, language and communication who lives or works in Haringey. We are particularly keen to hear from families and from professionals working with children and young people in Haringey.

Book a place

Please contact Amanda Jefferson on HARCCG.Info@nhs.net / 020 3688 2704 by Friday 7th July 2017.
